

SHARJEEL FAIQ

FRONTEND & REACT JS DEVELOPER

About Me

I'm Sharjeel Faiq, a Frontend React JS Developer with 4+ years of experience in coding. Skilled in front-end frameworks (Bootstrap, Material UI, Tailwind CSS), hosting services, version control (Git, Github), and project management (Jira, & Trello). My forte includes seamless API integration for dynamic global web applications. I've delighted multiple clients on Fiverr and locally, delivering high-quality results. Proficient in JavaScript and its frameworks (React JS, & Next JS).
